## PAVING THE WAY TO A BRIGHT FUTURE

In the spring of 2018, a spark of inspiration ignited the formation of the CHS Legacy Alliance. It all began when Terry & Cindy Sisco, Tony Cappadaro, and Sidney Bryant pulled chairs together on the school's stage and brainstormed with passion and purpose. From that moment, a dedicated group of alumni who cared deeply about their school and its students came together to form a non-profit organization with a clear and compelling mission to transform Chamberlain High School into a relevant, attractive, and aspirational institution that prepares today's students for lifelong success.

Our commitment to Chamberlain is unwavering. Through bold innovation, steadfast advocacy, and the support of a nurturing community, we believe Chamberlain is on the brink of a profound transformation. The CHS Legacy Alliance's mission is to ensure that Chamberlain remains agile and responsive to the evolving needs of its students, guiding each individual toward their unique path to prosperity.

Harnessing the strength of our alumni, local businesses, churches, and the community at large, we are forging a powerful alliance. Together, we channel our collective resources into Chamberlain, united in pursuit of our shared vision of excellence. We believe that by working together, we can create an environment where every student is inspired to achieve their full potential.

## LEGACY ALLIANCE MISSION

The Chamberlain High School Legacy Alliance exists to assure that current and future students develop the lifelong friendships, enjoy the rich traditions and receive the quality education students have received since 1956.

- Supporting Alumni - page 4

The CHS Legacy Alliance is more than just an organization; it is a movement fueled by the passion and dedication of those who believe in the potential of Chamberlain's students.

# SUPPORTING STUDENTS

A major focus of the Legacy Alliance is to ensure every student, regardless of socio-economic situation, family circumstances and life experiences has an equal opportunity to succeed in life. These efforts include the alumni and community giving their time, talents and treasure.

## Our Support has 3 Goals:

1. Support and encourage faculty to assure that every CHS student receives a quality education by attracting and keeping great teachers.
2. Advocate for and support all schools within the CHS pattern to ensure Chamberlain's future students are equipped and prepared for high school success.

3. Ensure every student participates in the dreamCatcher Program and knows their post-graduation plans by placing them on an Individualized Career Plan (ICP).

### **Components of the DreamCatcher Initiative include:**

- 3DE Senior Consultancy
- Veritas College Counseling
- Marine Corps JROTC Leadership Academy
- On-Campus Workforce Trade Fairs
- Future Career Academy

Professional College Counselor Vera Murphy-Trayner volunteers to be available every Thursday in the Guidance Office.

The mission of the Millionaires Club as developed and sponsored by CHSLA, is to guide students along the path to prosperity, instilling in them the invaluable wisdom of sound financial principles. The goal is for each member to graduate from high school not just with a diploma, but with \$1,000 in hand, ready to shape their destiny.

Thanks to the support of Achieva Credit Union, the Legacy Alliance has ignited a spark of financial empowerment through the Millionaire's Club this academic year. More than simple theories and concepts; students learn and experience tangible rewards and incentives that pave the way for a brighter future.

# SUPPORTING TEACHERS & STAFF

## We value and appreciate our educators!

While the Legacy Alliance cannot directly increase teacher salaries, we are committed to making Chamberlain the best place to work, fostering a fulfilling and satisfying teaching career. By striving to create an environment that enhances performance and reduces turnover, we support our teachers in meaningful ways. One of our key initiatives is arranging for essential teacher resources, ensuring they have the tools they need to succeed and feel valued in their profession.
